

No.	Description	Shrinkage	Service Temperature	Application Field	Remark
1	 PET+Nomex tubes	<2%	-60° C~150° C	Crossover or lead wire insulation of compressor	Red/Black Strip/Natural
2	 PET tubes	<2%	-60° C~150° C	Electrical wires & Fuse Connector of compressor, Thermal Protector motors, switches	Natural/Green Strip/Red Strip/Black Strip
		8%~10%	-60° C~150° C		
		25%~35%	-60° C~150° C		
3	 PET tubes	<2%	-60° C~180° C	Tap wire insulation of compressor	Glueless End Cap
4	 PET tubes	25%~35%	-60° C~150° C	Refrigerator compressor	Bull Nose
5	 Kapton tubes	<2%	-60° C~220° C	High-Temperature electrical elements	Golden Yellow
6	 Nomex sleeves	0%	-60° C~220° C	Thermal Protector, motors, switches	Natural
7	 Kapton+Nomex	<2%	-60° C~220° C	Dielectric Barrier/Automotive Spark Plug Boot Heat Shield	Natural
